Commodities: Turmeric, Red Chilli, Spices, Curcumin Specifications, IPM Standards

Tools: Microsoft Excel, Google Sheets, CRM, LinkedIn Sales Navigator and Outreach, B2B Trade Portals

WORK EXPERIENCE

Export Sales Executive October 2025 – Present
Shumitra (Silasya Fusion Pvt. Ltd.)

- Managed export sales of turmeric and spices to buyers across Europe (United Kingdom, Germany), the CIS region (Russia), the Middle East (GCC), South Asia (Nepal) and Southeast Asia (Indonesia).
- Generated international leads through LinkedIn, B2B trade portals, WhatsApp outreach and market research, converting inquiries into confirmed orders.
- Prepared FOB, CIF and CFR quotations and export costing; negotiated pricing and commercial terms with overseas buyers and domestic suppliers.
- Built sourcing partnerships across key production regions including Salem, Erode, Sangli, Nizamabad, Nanded and Hingoli.
- Leveraged a sourcing network of 40,000+ farmers and 800+ aggregators to ensure consistent product availability and quality.
- Coordinated procurement, quality verification against curcumin and IPM specifications, container planning, logistics and export documentation.
- Executed export transactions end to end, from buyer identification and sampling through shipment and buyer follow-up.

KEY ACHIEVEMENTS

- Completed multiple international export transactions end to end, from buyer identification to shipment execution.
- Developed active buyer relationships across Europe, the CIS region, the Middle East (GCC), South Asia and Southeast Asia.
- Established reliable supplier relationships across India's major turmeric and red chilli sourcing regions.

EDUCATION

Bachelor of Technology in Computer Science September 2021 – May 2025
IK Gujral Punjab Technical University

TRAINING AND PROFESSIONAL DEVELOPMENT

- Attended multiple virtual sessions and webinars by FIEO (Federation of Indian Export Organisations) on export procedures, international trade and market development.
